

The Dixie Youth World Series

August 6-12, 2010

Gonzales, Louisiana

2010 Gonzales Dixie Youth World Series **Economic Impact**

The 2010 Dixie Youth World Series will have an enormous financial impact on the city of Gonzales and the surrounding communities as well as the State of Louisiana.

24 teams from 11 states will participate in this tournament. During tournament week, the World Series supporters will fill hundreds of hotel rooms in the area. They will be involved in many activities throughout the week such as dining, shopping, sightseeing and entertainment ventures. Past World Series economic impact has been estimated to be millions of dollars. Retail and service businesses will also benefit tournament week. All this combined will surely be a boost to the local economy. This will be a great opportunity for the people and the businesses of Gonzales to showcase our beautiful city, state and hospitality. The Gonzales Dixie Youth World Series Committee is asking the local business community to pitch in and make this the best World Series ever.
