- (c) The cost of removing said “junk” shall constitute a special lien collectable in the same manner as special assessments are collectible by law, and shall not exceed two-hundred (\$200.00) dollars.
- (d) Additionally, the City, at its choice, may require, but not by way of limitation, that any vacant lot or portion of any occupied lot properly zoned and used for the storage of junk, as herein defined, shall be surrounded or enclosed by a board fence or other enclosure.

Sec. 19-73. Compliance; Abatement; Request for Hearing

In the event the “junk” is removed within ten (10) days of the notice by service outlined these ordinances to abate the nuisance, the responsible party will be deemed in compliance with these ordinances.

If, within ten (10) days after receipt of notice to abate the nuisance as herein provided, the owner or occupant of the premises, or the owner of the junk gives written permission to the City of Gonzales for removal of the junk from the premises, the giving of such permission shall be considered compliance with the provisions of this division, subject to reimbursement by the responsible party of costs for such removal as outlined in these ordinances.

However, if the owner or occupant of the premises so desires, such person may, within said period after service of notice to abate the nuisance, request of the clerk of the court, either in person or in writing, along with written notice requesting such hearing being provided to the City of Gonzales within the said period after service of the notice, and without the requirement of bond, that a date and a time be set when such owner or occupant may appear before the court for a trial without jury to determine whether or not such owner or occupant is in violation of this division, and said trial shall be set as hereinafter provided.

Upon receiving a request for trial, made pursuant to this division, the clerk of the court shall set a date and a time for such trial on the court docket. The clerk of the court shall notify the city attorney of the date and the time of such hearing. The city attorney shall cause to be prepared, filed and served on the defendant, a written complaint charging that the owner or occupant of the premises, as the case may be, or the owner of the motor vehicle on public streets, alleys or other property, has violated this division. After service, such complaint shall be on file with the clerk of the court not less than ten (10) days prior to the date of trial.

Sec. 19-75. Trial in the Parish Court.

After a hearing or trial is requested in compliance with the requirements of these ordinances, upon a finding that the defendant is in violation of this division, the defendant shall be deemed guilty of a misdemeanor and subject to a fine in the amount of five-hundred (\$500.00) dollars. The judge of the parish court shall further order such defendant to remove and abate the nuisance within ten (10) days, the same being a reasonable time, or render such other judgment or order as may be appropriate under the circumstances. If the defendant shall fail and refuse, within ten (10) days of such order or judgment, to abate or remove the nuisance, the judge may issue an order directing the chief of police and/or his designee to have the same removed, and the chief of police and/or his designee shall take possession of the junked motor vehicle or watercraft and remove it from the premises.
