Reference: Temporary Cut-In Electrical

Mr. Justin Dupuy,

This letter is written in acceptance of any responsibilities due to any accidents, which may occur due to the electricity being turned on, prior to the building final from the City of Gonzales.

Also, we will see to it that the panels are locked at all times unless they are being worked on by the electrician. Only the electricians will have a key to such boxes.

Occupancy is not permitted until the building final is issued by the Building Officials.
